

**Tiger Technology Group**  
 is pleased to announce the release of:

- Online Backup Support Plans
- Maximizer Enterprise CRM version 10.5
- Network Design / Support

## Computer Recycling Form

Tiger Technology Group will be picking up your computer / monitor for delivery to an environmentally friendly disposal site. Your hardware will be delivered to our office first where we will remove any data from the drives. After this process your hardware will be properly disposed of. We need to obtain some information about your items to be picked up.
